Resources for Public Health Professionals

**People Locator® and ReUnite®**
Enables family, friends and neighbors to locate or report missing people during a disaster event.
lpf.nlm.nih.gov

**Public Health Partners**
Selected public health resources for the public health workforce.
phpartners.org

**PubMed®/MEDLINE®**
Bibliographic database comprising millions of citations from biomedical literature, life sciences journals, and online books.
pubmed.gov

**PubMed® Health**
Online reviews of clinical effectiveness research, with easy-to-read summaries for consumers and full technical reports for public health professionals.
cbi.nlm.nih.gov/pubmedhealth

**PubMed for Handhelds**
Brings medical information to the point of care via mobile devices. Includes tools for searching by text message (askMEDLINE and txt2MEDLINE), applying clinical filters (PICO) and viewing summary abstracts (The Bottom Line and Consensus Abstracts) in PubMed/MEDLINE, and evaluating the use of these tools in Clinical Decision Support.
lhncbc.nlm.nih.gov/project/pubmed-handhelds

**Quality Improvement (QI) Quick Guide**
Online guide for public health practitioners to help determine which resources to use for QI initiatives.
phf.org/quickguide

**Resource Guide for Disaster Medicine and Public Health**
A gateway to free online resources related to disaster medicine and public health including guidelines, research reports, tools, and Web sites that address disaster preparedness, response, and recovery.
disasterlit.nlm.nih.gov

**TOXNET®**
Databases on toxicology, hazardous chemicals, environmental health, and toxic releases.
 toxnet.nlm.nih.gov

**TOXMAP®**
Geographic Information System (GIS) that uses maps of the United States to help users visually explore data from the EPA’s Toxics Release Inventory (TRI) and Superfund programs.
toxmap.nlm.nih.gov

**Tox Town®**
Guide to commonly encountered toxic substances. Also, includes classroom materials.
toxtown.nlm.nih.gov

toxtown.nlm.nih.gov/espanol/

**Wireless Information System for Emergency Responders (WISER®)**
System for emergency responders with information on hazardous substances to assist first responders during hazardous materials incidents.
wiser.nlm.nih.gov

**NLM Mobile Sites and Resources with Apps**
Guide to NLM mobile resources and apps. Browse by Type, Device, or Tags.
nlm.nih.gov/mobile-app

One-stop-location for links to NLM e-resources including datasets, biomedical databases, application programming interfaces (APIs), Web-based and mobile applications.
wwwc2.nlm.nih.gov/nlm_eresources/eresources/search_database.cfm

**Follow, Fan, and Connect with NLM**
Twitter, Facebook, RSS Feed, E-mail Lists, News Updates.
nlm.nih.gov/socialmedia
