</thead>
<tbody>
<tr>
<td>AIDSinfo®</td>
<td>Resource providing the latest federally approved treatment guidelines for health care professionals, as well as information on treatment, prevention, and research.</td>
<td><a href="https://www.aidsinfo.nih.gov">https://www.aidsinfo.nih.gov</a></td>
</tr>
<tr>
<td>MedlinePlus®</td>
<td>Consumer health information in English and Spanish including diseases, wellness topics, drugs, supplements, news, and videos.</td>
<td><a href="https://www.medlineplus.gov">https://www.medlineplus.gov</a> <a href="https://www.medlineplus.gov/spanish">Spanish: https://www.medlineplus.gov/spanish</a></td>
</tr>
<tr>
<td>AIDSource</td>
<td>A comprehensive online resource that provides access to high-quality, accurate, and timely HIV/AIDS information for patients, caregivers, health professionals, educators, and community-based organizations.</td>
<td><a href="https://www.aids.nlm.nih.gov">https://www.aids.nlm.nih.gov</a></td>
</tr>
<tr>
<td>MedlinePlus Connect</td>
<td>A free service for health IT systems, patient portals, and electronic health records (EHRs) to link to targeted, consumer-friendly patient information from MedlinePlus.</td>
<td><a href="https://www.medlineplus.gov/connect">https://www.medlineplus.gov/connect</a></td>
</tr>
<tr>
<td>Community Health Maps</td>
<td>Provides information about free and low cost mapping tools for community organizations.</td>
<td><a href="https://communityhealthmaps.nlm.nih.gov">https://communityhealthmaps.nlm.nih.gov</a></td>
</tr>
<tr>
<td>HealthReach</td>
<td>Multilingual and multicultural public health resources for health educators and providers. Contains health information that is easy-to-read and understand, available as handouts, video, and audio recordings, and translated into over 50 languages.</td>
<td><a href="https://www.healthreach.nlm.nih.gov">https://www.healthreach.nlm.nih.gov</a></td>
</tr>
<tr>
<td>NLM Learning Resources Database</td>
<td>Collection of educational training materials created by NLM. Materials include videos, tutorials, and webinars. Institutions can use the API to auto-populate NLM learning resources on their Web site.</td>
<td><a href="https://learn.nlm.nih.gov">https://learn.nlm.nih.gov</a></td>
</tr>
<tr>
<td>National Network of Libraries of Medicine (NNLM)</td>
<td>Program coordinated by the National Library of Medicine to advance the progress of medicine and improve public health by providing equal access to biomedical information and improving the public’s access to information.</td>
<td><a href="https://www.nnlm.gov">https://www.nnlm.gov</a></td>
</tr>
<tr>
<td>Health Information Technology and Health Data Standards at NLM</td>
<td>Access up-to-date vocabulary standards, mapping and terminology tools for drugs, devices and clinical services.</td>
<td><a href="https://www.nlm.nih.gov/healthit">https://www.nlm.nih.gov/healthit</a></td>
</tr>
<tr>
<td>Newborn Screening Coding and Terminology Guide</td>
<td>Downloadable standard codes and terminology for newborn screening tests and conditions, as well as guidance for HL7 electronic messaging.</td>
<td><a href="https://newbornscreeningcodes.nlm.nih.gov">https://newbornscreeningcodes.nlm.nih.gov</a></td>
</tr>
<tr>
<td>Health Services Research (HSR) Resources for Public Health</td>
<td>Portal for up-to-date research resources for public health, including news, funding (HSRRC), colleagues, projects (HSRProj database), and datasets and survey tools (HSRR database). Use NICHSR ONSearch to search all three HSR resources, as well as PHPPartners with one simple search statement.</td>
<td><a href="https://www.nlm.nih.gov/hsrph.html">https://www.nlm.nih.gov/hsrph.html</a> <a href="https://www.nlm.nih.gov/nichsr/onsearch.html">https://www.nlm.nih.gov/nichsr/onsearch.html</a></td>
</tr>
<tr>
<td>PubMed®/MEDLINE®</td>
<td>Bibliographic database comprising millions of citations from biomedical literature, life sciences journals, and online books.</td>
<td><a href="https://www.pubmed.gov">https://www.pubmed.gov</a></td>
</tr>
</tbody>
</table>
Environmental Health and Toxicology

TOXNET®
Databases on toxicology, hazardous chemicals, environmental health, and toxic releases.

Select TOXNET Databases of interest to public health professionals

Haz-Map®
Occupational database linking jobs and hazardous tasks with occupational diseases and their symptoms.

Hazardous Substances Data Bank (HSDB®)
Comprehensive, peer-reviewed toxicological and environmental data for chemicals, drugs, and other substances.

LactMed® (Drugs and Lactation Database)
Database of drugs, dietary supplements, and other chemicals to which breastfeeding mothers may be exposed and the effects of those agents on nursing infants and lactation.

TOXMAP®
Geographic Information System (GIS) that uses maps of the United States to help users visually explore data from the EPA’s Toxics Release Inventory (TRI) and Superfund programs.

Tox Town®
Guide to commonly encountered toxic substances in everyday places. Updated design which includes new content organization into Sources of Exposure, Chemicals and Contaminants, and Diseases and Conditions; community action tools for community engagement; resources for finding local data; and Reduce Your Risk information with practical steps to avoid and address exposure.

ToxTutor
Newly updated and enhanced online learning tool that provides users with a working knowledge of basic toxicology principles and concepts. https://toxtutor.nlm.nih.gov

Disaster/Public Health Emergencies

Chemical Hazards Emergency Medical Management (CHEMM)
Web-based application to assist emergency responders, health care providers, and planners in planning for, responding to, and recovering from the effects of mass casualty incidents involving accidental or terrorist chemical releases.

Disaster Lit®: Database for Disaster Medicine and Public Health
A database of free resources related to disaster medicine and public health including guidelines, research reports, tools, and Web sites that address disaster preparedness, response, and recovery.
https://disasterinfo.nlm.nih.gov/disaster-lit

Radiation Emergency Medical Management (REMM)
Guidance for health care providers about clinical diagnosis and treatment of radiation injuries from radiological and nuclear incidents.
https://www.remm.nlm.gov

Wireless Information System for Emergency Responders (WISER®)
Application for emergency responders and health care providers to prepare for, respond to, and recover from hazardous material (HazMat) incidents.

NLM Mobile Sites and Resources with Apps

Guide to NLM mobile resources and applications.

One-Stop Location for Links to NLM e-Resources
Includes data sets, biomedical databases, application programming interfaces (APIs), and Web-based and mobile applications.

Disaster Apps for Your Digital Go Bag
https://disasterinfo.nlm.nih.gov/apps

Follow, Fan, and Connect with NLM
Twitter, Facebook, RSS feeds, e-mail lists, and news updates.
https://www.nlm.nih.gov/socialmedia

NLM Promotional Materials
Provides access to promotional materials for print and download.
